ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each lot developed and owned within the properties, hereby covenants, and each owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: 1) annual assessments or charges, and 2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fee, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the

person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to its successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents in the properties, for the improvements, insurance and maintenance of amenities and the common areas, and to maintain an adequate reserve fund to provide for necessary repair and/or replacement of improvements to the common areas.

Section 3. Maximum Annual Assessment. For the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment shall be One Hundred ninety two and 94/100 (\$192.94) Dollars per lot.

(a) From and after the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment may be increased each year not more than Five (5%) percent above the maximum assessment for the previous year without a vote of the membership.

(b) From and after the year immediate following the conveyance of the first lot to an owner, the maximum annual assessment may be increased above Five (5%) percent by a vote of two-thirds (2/3) of the total allocated votes in the Association (and if applicable, the assent of Fifty-One (51%) percent of eligible mortgage holders as established by the Association By-Laws) who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the common area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the total allocated votes in the Association (and if applicable, the assent of Fifty-One (51%) percent of eligible mortgage holders as established by the Association By-Laws) who are voting in person or by proxy, at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 shall be sent to all members (and eligible mortgage holders, if applicable) not less than thirty (30) days nor more than sixty (60) days in advance of the meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots and will be collected on a monthly or a yearly basis in advance, at the option of the Board (or at any other reasonable basis as may from time to time be established by the Association).

Section 7. Date of Commencement of Annual Assessments: Due dates. The annual assessments provided for herein shall commence as to each lot on the day of the month of the

conveyance to the lot owner(s). The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

A. Working Capital Fund. In order to insure that the Association will have funds to meet initial or unforeseen expenditures; purchase additional equipment and/or secure services, the Declarant shall establish a working capital fund equal to at least two-twelfths (2/12) of the initial annual assessment for common expenses for each lot. Each lot's share of the working capital fund shall be collected at the time the sale of the lot to the Lot Owner(s) is closed. The Declarant may not use any of the working capital fund to defray its expenses, reserve contributions, construction costs or to make up budget deficits. The working capital fund shall not be considered as advance payment of regular assessments and shall be maintained by the Association in a segregated fund. When unsold lots are sold to the Lot Owner(s), the Declarant may use working capital funds collected at closing to reimburse itself for funds it paid to the Association for each unsold lot's share of the working capital fund.

B. Mortgage and Deed of Trust Protection. The lien for assessments payable by a lot owner shall be subordinate to the lien of a recorded first Mortgage or Deed of Trust on the interest of such lot owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the mortgagee or beneficiary thereunder either takes possession of the lot encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its Mortgage or Deed of Trust. Sale or transfer of any lot shall not affect the assessment lien. This subparagraph shall not be amended, changed, modified, or rescinded without the prior written consent of all mortgagees and beneficiaries of record.

Section 8. Effect of Delinquent and/or Nonpayment of Assessments: Remedies of the Association. Any assessment paid more than fifteen (15) days after the due date shall be subject to and include a "late charge", as determined by the Association, to cover the extra expense involved in handling delinquent payments. In addition to the late charge hereinabove recited, any assessment not paid within thirty (30) days after the due date shall bear interest at the highest permissible rate of interest per annum allowed under the laws of the State of Tennessee. Any and all delinquent assessments shall constitute a continuing lien against the lot and improvements thereon. The Association may bring an action at law or equity against the owner(s) personally obligated to pay the assessments and/or foreclose the lien against the property. Should enforcement be necessary, the owner(s) shall be obligated to pay costs and attorney's fees associated therewith. No owner(s) may waive or otherwise escape liability for the

assessments provided for herein by non-use of the common area or abandonment of the lot.

No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V

ARCHITECTURAL CONTROL

Section 1. Improvements. No building, fence, wall or other structure(s) shall be commenced, erected or maintained upon the properties, nor shall any exterior addition or improvements to or change or alteration (including painting or re-painting) therein be made until the plans and specifications showing the nature, kind, shape, height, materials, color, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. All matters submitted to the Board of Directors or the Architectural Review Committee shall be decided and announced in writing within thirty (30) days after submission by the owners or builders. (This Article shall not be intended to apply to improvements and/or construction made by Declarant under its development plan for the properties.)

Section 2. Vehicle Storage. Recreation vehicles, boats and recreational trailers must be parked on paved surfaces located on the lot and may not be visible from the street. No tractor trucks, tractor trailers, construction equipment or commercial vehicles (over three-quarter ton capacity) may be parked on any street, road and/or lot; however, this provision shall not apply to Declarant during development of the properties.

Section 3. Architectural Review Committee Membership. The Architectural Review Committee shall be composed of no less than three (3) or more representatives appointed by the Board. All matters submitted to the Architectural Review Committee shall be decided and announced in writing within thirty (30) days after submission to the owners or builders.

The Architectural Review Committee shall serve for seven (7) years from the date of the filing of this Declaration or upon the sale of all of the lots in the subdivision by the Declarant, whichever shall occur first. At any time after the expiration of seven (7) years or the sale by Declarant of all lots within the subdivision, the then record owners of the majority of the lots within the said subdivision shall have the power through a duly recorded written instrument to change the membership of the Committee, or to withdraw or restore to the Committee any of its powers and duties.

B. Standards. For the purpose of assuring the maintenance of the lots as a neighborhood of high standards, the Declarant hereby adopts the following standards for architectural control;

1. Single Family Residential Construction. No building shall be erected, altered or permitted to remain on any lot other than one (1) single family residential dwelling not to exceed two and one-half (2 ½) stories in height, which may have an attached private garage

2. Minimum Square Footage within Improvements. The living area on the ground floor of the main residential structure (exclusive of porches and garages) shall not be less than one thousand five hundred (1,500) square feet for one story dwellings, nor less than five hundred (500) square feet for multi-story dwellings, nor less than five hundred (500) square feet for split foyer type dwellings. The total living area for a multi-story and split foyer type dwelling shall not be less than one thousand five hundred (1,500) square feet. Basements shall not be counted as stories.

3. Exterior Finishes. The each structure shall be constructed of a minimum of fifty (50%) per cent brick (with brick to grade) with the remainder of the exterior to be constructed of wood or vinyl.

4. Driveway. The driveway of each lot shall be constructed or exposed or non-exposed aggregate concrete or asphalt only. No gravel driveways shall be permitted.

The Committee shall have the right to disapprove any plans submitted hereunder because of failure to comply with any restrictions contained herein, failure to include any information required herein, objection to exterior design, or such other matters which would render the proposed structure or use thereof inharmonious with the structures located upon other lots within the neighborhood.

ARTICLE VI

INSURANCE

Section 1. Casualty Insurance on Insurable Common Area. The Association shall keep all insurable improvements and fixtures of the common area insured against loss or damage by fire or other hazards and casualties for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as the Association may deem desirable with the Association as the owner and beneficiary of such insurance. The Association shall also maintain adequate liability insurance and fidelity bond coverage as may be required and/or directed by underwriting guidelines established by the Federal National Mortgage Association (FNMA), Federal Home Loan Mortgage Corporation (FHLMC), Federal Housing Administration (FHA), and/or the Veterans Administration (VA). The insurance coverage with respect to the common area shall be written in the name of, and the proceeds thereof shall be payable to the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses included in the common assessments made by the Association.

Section 2. Replacement or Repair of Property. In the event of damage to or destruction of any part of the common area improvements, the Association shall repair or replace the same from the insurance proceeds available. If such insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Association may make a reconstruction assessment against all lot owners to cover the additional cost of repair or

replacement not covered by the insurance proceeds, in addition to any other common assessments made against such lot owner, with the approval of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 3. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board of Directors in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the property which may have been damaged or destroyed.

Section 4. Condemnation. In the event of a taking of part of the common areas in condemnation or by eminent domain, the award made for such taking shall be payable to the Association. If a majority of the Board in their sole and absolute discretion approve the repair and restoration of such common areas, the Board shall arrange for the repair and restoration of such common areas, and the Board shall disburse the proceeds of such awards to the Contractors engaged in such repair and restoration in appropriate progress payments. In the event the Board does not approve the repair and commencement of restoration of such common areas within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on an equal basis to each record lot owner (and any mortgagee having a security interest in said lot).

ARTICLE VII

ADDITIONAL RESTRICTIONS

In addition to the Architectural Standards and Controls recited in Article V, Section B, above, the following additional restrictions shall encumber the Property:

Section 1. Improvement, Setback and Use Restrictions.

(a) Minimum setback requirements have been established on the Plat(s) of Deer Valley Subdivision, but are not intended to engender uniformity. They are intended to avoid overcrowding and monotony. It is, therefore, intended that setbacks may be staggered, where appropriate, so as to preserve trees and to assure vistas of open areas. The Association reserves the right to approve the site plan and location of each Building or other structure on each Lot and to arrange the same in such manner as it shall deem in the best interests of the overall development. No building or structure, or any part thereof, shall be located on any Lot nearer to the front line nor to a side or rear line than the minimum setback lines shown on the recorded Plat or as specified in the restrictions. (f) Swimming pools must be built in accordance with ordinances of the Metropolitan Planning Commission. There shall be no above-ground swimming pools.

(g) Mail boxes shall be of a heavy gauge decorative custom steel, in black or Verde green. The Association reserves the right to establish a mail box location system.

Any and all equipment, woodpiles, garbage cans, refuse or storage piles placed on any Lot, whether temporary or permanent, shall be underground or walled in to conceal the same from view of neighboring Lots, roads, street and open areas. The Association must approve plans for all screening walls and enclosures.

(i) No lumber, brick, stone, block, concrete or other building materials, nor any other thing used for building purposes shall be stored on any Lot, except for the purpose of construction on such Lot, and then only for such length of time as is reasonably necessary for the construction of the improvements then in progress.

(j) All utility meters, solar energy collection panels, and other like equipment shall not be visible from neighboring Lots, roads, streets and open areas. Window air conditioners will not be permitted. Small dish antennas may be installed, if properly screened, with the prior written approval of the Association as to size and location.

(k) No Owner shall excavate or extract earth from any of the Lots for any business or commercial purpose. No elevation changes shall be permitted which will materially affected the surface grade of a Lot unless the consent of the Association is obtained. When constructing a Building, topsoil may not be removed from the Lot, but must be moved to the side or rear of the Lot and reused when performing final grade work on the Lot following construction. The Owner shall erect a silt-screened mesh fence, with a minimum height of twenty-four (24) inches, around the perimeter of the Lot prior to initiating construction.

(l) Outside clothesline and clothes hanging devices shall not be permitted.

(m) The rays of any beamed light shall be directed to the Building itself.

(n) Contiguous Lots may be combined and re-subdivided, if the Lots have the same Owner, for the purpose of placing an approved Building thereon. Individual Lots may not be re-subdivided so as to create a smaller area than originally deeded to a Lot Owner and as shown on the Plat(s).

(o) Any person undertaking any construction on a Lot and the Owner of such Lot shall be responsible for maintaining the continuing cleanliness of, and repairing any damage to, any

curbing, gutter or street resulting from construction on such Lot. After demand by the Association, repairs of all such damages shall be made within fifteen (15) days. Owner shall install a refuse dumpster on the Lot during the framing stage of construction. Said dumpster shall remain on the Lot through completion of the construction process. No material of any kind may be burned on any Lot at any time.

(p) No Lot Owner shall build a pole or security lamp or light on his Lot exceeding eight (8) feet in height. No flood or eave lights shall be constructed on or above the second story at any Building in such a manner that would shine outward toward any property adjacent to or adjoining Deer Valley subdivision.

(q) No decorative appurtenances, such as sculptures, birdhouses, birdbath, fountains or other decorative embellishments shall be placed on or in any front yard or on any part of a Lot visible from any street or other Lot, unless the placement and design of such embellishments has been approved by the Association pursuant to the provisions of Section 2 hereof.

Basketball goals may be attached to a garage.

Section 2. Use and Enforcement. The property shall be used only for residential, recreational, and related purposes (which may include, without limitation, offices for any property manager retained by the Association or business offices and/or sales office(s) for the Declarant, all as may more particularly be set forth in this Declaration or amendments hereto).

The Association, acting through its Board of Directors, shall have authority to make and to enforce standards and restrictions governing the use of the property in addition to those contained herein, and to impose reasonable user fees for use of common area facilities. This authority shall include, without limitation, the power to regulate the speed and flow of traffic on roads within the property. Such regulations and use restrictions shall be binding upon all owners, occupants and invitees until and unless overruled, canceled or modified in a regular or special meeting of the Association by the vote of a majority of the total Class "A" members and by concurring vote of the Class "B" member, so long as such membership shall exist.

Section 3. Signs and Billboards. No sign or billboard of any kind shall be displayed to the public view on any lot or portion of the common area, except for: 1) directional or informational signs, established by the Association, and 2) signs not in excess of six (6) square feet per side erected by an owner upon that owner's lot to advertise the sale or lease of that lot. The Association shall have the right to remove any such unapproved sign, advertisement, billboard or structure that is placed on the property, and in doing so shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal.

Section 4. Occupants Bound. All provisions of the Declaration, By-Laws and of any rules and regulations or use restrictions promulgated pursuant thereto that govern the conduct of owners and that provide for sanctions against owners shall also apply to all occupants, guests and

invitees of any lot. Every owner shall cause all occupants of his or her lot to comply with the Declarations, By-Laws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations and losses to the common areas caused by such occupants, notwithstanding the fact that such occupants of a lot are fully liable and may be sanctioned for any violation of the Declaration, By-Laws, and rules and regulations adopted pursuant thereto.

No pets shall be kept, bred, or maintained for any commercial purpose. Dogs which are household pets shall at all times whenever they are outside a lot be confined on a leash held by a responsible person. No dogs of the pit bull or rottweiler breeds shall be permitted. No wild animals shall be permitted.

Section 6. Nuisance. No portion of the property shall be used, in whole or in part, for the storage of any property or thing that will cause it to appear to be in an unclean or untidy condition or that will be unsightly to the eye; nor shall any substance, thing, or material be kept upon any portion of the property that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on upon any portion of the property, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance, or nuisance to any person using any portion of the property. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the property.

Section 7. Unsightly or Unkempt Conditions. It shall be the responsibility of each owner to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her lot. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken on any part of the property. All garage doors shall be kept closed except when necessary for entrance or exit of vehicles.

Section 8. Subdivision of Lot. No lot shall be subdivided or its boundary lines changed except with the prior written approval of the Board of Directors of the Association. Declarant, however, hereby expressly reserves the right to re-plat any lot or lots owned by Declarant. Any such division, boundary line change, or re-platting shall not be in violation of the applicable subdivision and zoning regulations.

Section 9. Tents, Trailers and Temporary Structures. Recreational tents, travel trailers, other recreational vehicles or utility sheds may be placed upon a lot, provided they are screened

from view from the street and adjoining lot(s).

Section 10. Drainage System. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No one other than Declarant may obstruct or re-channel the drainage flows after location and installation of drainage retention areas, storm sewers, or storm drains. Declarant hereby reserves a perpetual easement across the property for the purpose of altering drainage and water flow.

Section 11. On-Site Fuel Storage. No on-site storage of gasoline, heating or other fuels shall be permitted on any part of the property except that up to five (5) gallons of fuel may be stored on each lot for emergency purposes and operation of lawn mowers and similar tools or equipment.

ARTICLE VIII GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidity of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amendments. The covenants, conditions and restrictions of the Declaration shall run and bind the land, for a term of twenty (20) years from the date of recording, after which time they shall be automatically extended for successive periods of ten (10) years. The said Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than seventy-five (75%) percent of the members and thereafter by an instrument signed by not less than sixty-seven (67%) percent of the members. Any amendment to the said Declaration must be recorded and shall be subject to Section 4 below.

Section 4. Development Phasing. The covenants, conditions and restrictions of this Declaration are intended to encompass the tract or parcel of land described on Exhibit "A" attached; however, the Developer may at a future date desire to develop additional phases on the tract or parcel of land owned by the Developer and described on Exhibit "B" attached. Each such phase shall be subject to and incorporated in the terms and obligations of this Declaration; however, each development phase shall be treated for mortgage lending purposes as a separate mortgage lending entity.

The addition of phases on the tract or parcel of land described on Exhibit "B" attached may be accomplished without the consent or approval of Class "A" owners described herein.

Section 5. FHA/VA Approval. As long as there is a Class "B" membership, the following actions will require the prior approval of the Federal Housing Administration (FHA) or the Veterans Administration (VA): Amendment of this Declaration of Covenants, Conditions
